FY2025 Agreement of Rebate

Dear Valued Supplier

We would like to express our sincere gratitude for your continued support and cooperation to NMB-Minebea Thai Limited.

In order to achieve a target of 2.5 trillion yen in net sales, we will continue to expand growth and improve profitability through the execution of each business strategy. We will engage in initiatives focused on high-margin products such as analog semiconductors, in addition to bearings and motors. Through the business integration of Minebea Power Semiconductor Device.

The company's effort to improve profitability include cost reduction and lowering the material cost ratio and the factory overhead ratio, thereby increasing profitability through greater flexibility in cost management. Furthermore, we promote M&A from a global perspective, both domestically and internationally, to strengthen our international competitiveness.

However, to achieve this goal and share new business with supplier, the cooperation from every partner company is important and necessary. Taking this opportunity, we would like to you to cooperate a rebate

We sincerely expect cooperation to grow business together and hope that you will provide good cooperation as always.
