MING DENG METROLOGY SERVICES (THAILAND) CO., LTD.
46 Soi Serithai 81/2 , Serithai Rd.,Kwang Kannayao,Khet Kannayao,Bangkok 10230
Tel : 02-540-3815-6,02-919-9774 Fax : 02-517-5827 Email : thai@mdmetrology.com Tax ID : 0105539020030

1. The price quoted is in Thai Baht.
2. Turnaround Time (unless otherwise specified in the quotation):
   Normal Service: 7 to 10 working days* (collection day not included)
   2 to 3 working weeks for Gauge Blocks (advanced booking is required)
   Express Service: 3 working days* (collection day not included, additional 50%)
   *Subjected to size of consignment, please check with the sales department for more information.
3. Customer shall provide the specification and/or calibration standard for calibration. In the absence of prior instructions, Ming Deng Metrology Services Co., Ltd will follow a suitable in-house calibration procedure.
4. Calibration does not include adjustment unless otherwise specified; the price quoted is only for calibration.
5. There will be no due date stated in the calibration report if no instructions are given prior to calibration. Calibration frequency may be stated in the quotation without prior instructions and a confirmation of the quotation (eg: via issuance of Purchase Order) is an agreement of the calibration frequency provided.
6. In the absence of prior instructions or information with regards to the identification of the equipment, customers' equipment will be identified according to the imprinted serial numbers and/or stickers labelled on the items.
7. The laboratory shall apply Simple Acceptance Rule as the Decision Rule, the specific risk is <50% Probability of False Accept (PFA). This shall apply to all calibrations/ tests performed from 01 October 2020 onwards.
8. If the customer agrees to proceed as specified in this quotation, this means that the customer is able to accept if the TUR may not be 4:1.
9. Charges may apply for reproduction(s) and re-prints of report(s) unless otherwise stated at the discretion of Ming Deng Metrology Services Co., Ltd.
10. Please ensure that the equipment is functioning and properly packed before delivery/ collection; equipment will only be tested right before calibration is started.
11. The Terms and Conditions stated below shall apply for all job scopes.

Term and Conditions

1. Customer must provide the instrument with good working condition for calibration, if instrument is found faulty; job will be halted and customer will be informed, a minimum charge will be imposed.
2. If the item is found out of requirements, 100% of calibration cost will still be incurred.
3. Price quoted above excludes VAT, unless otherwise stated in the quotation.
4. The quotation is valid for a period of 1 month from the date of quotation unless otherwise stated.
5. Work or Purchase Order shall be issued to Ming Deng Metrology Services Co., Ltd. prior to the start of work.
6. The quotation is based on the information given by the customer (i.e range, calibration points, features, parameters to be calibrated) but can be revised if and when more information is provided. A new quote may be amended and sent if the information is deemed lacking and revision is required.
7. To confirm order, please endorse the quotation and email to the undersigned or fax to+66 2-517-5827.
8. The next calibration due date or calibration frequency will not be input to the report after the date of calibration, unless otherwise requested or stated.
9. Ming Deng Metrology Services Co., Ltd will not be liable for job that is confirmed and found unable to calibrate upon receipt.
10. While we are committed to providing the best customer service, we also value our staff. We reserve the rights to refuse service to customers who are abusive to maintain mutual respect among both parties.
11. The customer shall provide documents (softcopy or hardcopy) to indicate intention before a calibration job.
12. For any queries and clarifications, please do not hesitate to contact our staff.
